Discover Success in the NEW World of Entrepreneurship And “Productize Your Purpose” !

As an entrepreneur for more than 24 years, Marcia Bench has built and sold numerous highly successful companies. Marcia is now one of the world’s leading authorities on entrepreneurship, internet service delivery, information product delivery, and incorporating purpose into one’s work and business. She is a former attorney and has authored 23 books on entrepreneurship, personal growth, business and marketing. Her time-tested, proven success strategies have helped to accelerate business growth for thousands of people in 35 countries around the world. Marcia has the unique ability to relate deeply to any size audience, whether a dozen or thousands. She has shared the stage with such icons as Dr. Wayne Dyer, Dr. Deepak Chopra, Joan Borysenko and more.

Receive Rave Reviews From Attendees At Your Next Event!

Marcia’s presentations are information-rich, inspiring and entertaining. Her wealth of business knowledge, based on more than two decades of proven business experience, blends perfectly with her down-to-earth communication style, contagious motivation, high energy and enjoyable sense of humor. Attendees at Marcia’s presentations take away practical information that they can quickly and easily implement into their businesses and personal lives.
